Board Member Tamara James

Dear Chair, Vice-Chair and Board of Directors of the Dania Beach Community Redevelopment Agency:

In accordance with Florida Statutes Chapter 189.016, the governing body of the Dania Beach Community Redevelopment Agency (CRA), operating as a special district, shall adopt a budget by resolution each fiscal year. As such, I am pleased to present for your consideration the Executive Director's Annual Budget Proposal for the Fiscal Year commencing October 1, 2019. The recommended budget is a reflection of the priorities and policies set by the CRA Board of Directors within the guidelines of the adopted Redevelopment Plan. The budget proposal herein outlines the resources needed to strategically approach eliminating slum and blight, improving quality of life, marketing and rebranding the City, promoting investment and increasing the tax base in the redevelopment area.

The combined proposed budget for Funds 106 and 112 for Fiscal Year 2020 totals \$2,520,004.26 including operations, transfers, and re-appropriations. About 47 percent of the proposed revenue stems from contributions from the City of Dania Beach General Fund. The City Manager has proposed \$1,137,098 in General Fund contributions, reflecting a 15.35 percent decrease over the FY2019 actual contribution of \$1,343,307. The General Fund contribution is itemized as follows: \$880,000 in operating resources, \$247,098 for the administrative cost allocation back to the City, and \$10,000 for the Arts and Seafood Celebration. Other revenue sources include interest earnings, Arts and Seafood Celebration and At Home Dania Beach program revenue. The remaining revenue sources are re-appropriations of CRA appropriated fund balance including \$250,000 in Debt Service transferred in 2018.

The proposed budget shows Fund 112 as fully funded at \$182,336.89 and Fund 106 partially funded at \$2,337,667.37 for a total budget request of \$2,520,004.26 for FY2019-2020. In order to fully cover expenses for Fund 106, the CRA would require an additional contribution of \$467,069.37, bringing the total contribution from the City of Dania Beach to \$1,604,167.37.

The budget reflects a variety of ongoing and new projects, programs and initiatives related to housing development, commercial and residential grants, public art, business retention and attraction, workforce development, marketing, promotions and training. Many of the new projects and programs proposed are based on specific policy direction from the CRA Board.

Detailed Description of Operations/Level of Service Being Affected
Request:

The CRA Executive Director is requesting a modification to the classification of the existing Administrative Specialist I position from Part-time Pension-only to Part-time Regular. The Administrative Specialist I position is currently classified as Part-time Pension-only which allows for twenty (20) hours per week and participation in the Florida Retirement System. If granted, this program modification would change the classification to Part-time Regular allowing for up to twenty-eight (28) hours per week, accrual of leave time and the ability to earn holiday pay.

Background:

In FY 2017-2018, the CRA Board authorized the Administrative Specialist I position at the request of the CRA Executive Director. This request was as a result of the CRA ending the consulting services contract with Redevelopment Management Associates (RMA). The Administrative Specialist I performs budget and accounts payable functions for the department including invoice payment, quote solicitation, budget transfers and purchase orders. The person in this position also prepares and processes payroll, maintains records and the filing system, responds to inquiries and interacts with customers. The current rate of pay for this position is \$15.60 per hour. The requested reclassification will not impact the rate of pay.

Current Situation:

On November 1, 2018, the Finance Department implemented new requirements related to procurement card reconciliation. As procurement card reconciliation is a major function of the Administrative Specialist I position, this added additional administrative workload for completion during the same time period. In addition, in FY 2018 and FY 2019, the CRA has developed new programs and initiatives that have increased the administrative functions of the organization.
